Hi Dave,

Thanks for sending this along. Just to provide you a brief update, I've requested Informal HQ Technical Review Team review/comment on your outline this week; we'll loop back with you at first opportunity.

CONFIDENTIAL ATTORNEY CLIENT PRIVILEGED

Attached is a brief outline of what we could approach Ecology with regarding the Pend Oreille TMDL. This outline may not go as far as John had requested in describing a resolution, but we feel it does describe the appropriate next step in this process which is how to engage Ecology in the issues. Let us know your reactions/comments.

Thanks,

Dave
